Re: Authorization to Commence Service – Line 1278 Loop

Dear Mr. Brown:

I grant your October 19, 2015 request for Columbia Gas Transmission, LLC (Columbia) to place into service the facilities associated with the Line 1278 Loop in Chester County, Pennsylvania for the East Side Expansion Project.

Your request is in compliance with environmental condition 10 of the Commission's December 18, 2014 *Order Issuing Certificate* (Order) issued in Docket No. CP14-17-000. Based on our compliance inspection on October 16, 2015 and the photographic documentation included in your request, we find that restoration of Line 1278 Loop is proceeding satisfactorily.

I remind you that Columbia must continue to comply with all applicable remaining terms and conditions of the Commission's Order. If you have any questions regarding this approval, please call Ellen Saint Onge at (202) 502-6726.

Sincerely,

Terry L. Turpin
Director, Division of Gas -
Environment & Engineering
